Dear Young-Bayesians,

Accenture, sponsor of our upcoming BAYSM'14 event, would like to invite you to the "Meet the Experts Lunch @ BAYSM'14". You will have the opportunity to meet Analytics Consultants and Data Scientists and talk to them about their daily business. You can learn how advanced analytical solutions are being used to gain insights to existing issues and to create new business opportunities and how seamlessly they are integrated in the world of Finance and Risk. Use the chance to talk on an informal basis, extend your network and learn how Accenture is supporting BAYSM'14.

The "Accenture – Meet the Experts Lunch" will take place on Thursday, 18th September. As only a limited number of seating is available, please register via [baysm2014@wu.ac.at](mailto:baysm2014@wu.ac.at).
